

## Church Presentation Kit

We are Friends of Options, the fundraising support system for the Options for Women - River Falls clinic. Options for Women - River Falls is a Christian ministry whose mission is to offer loving support and services to those experiencing an unexpected or difficult pregnancy so they can choose life for their child and to promote a culture of life and healthy relationship choices. Options For Women - River Falls offers a range of services tailored to meet the needs of women facing unplanned pregnancies. All of our services are completely free of charge. These services include pregnancy testing, STD testing, limited OB ultrasounds, material assistance and more.

When you become a part of Friends of Options - River Falls, you become the hands, feet and finances which allow our staff to provide high quality pregnancy and sexual health-related medical services, all free of charge. Because of our professional no-cost medical services, the clinic serves as a powerful, life-affirming choice for our community.

Friends of Options - River Falls is hosting our annual Spring Banquet and Fundraiser on Tuesday May 20<sup>th</sup> at the Tattersall Event Center in River Falls. Social hour begins at 5:00 PM, the main event is from 6:00 - 8:00 PM. You are invited to make a vital impact in our community by joining us for this inspiring event. Your support can mean the difference between life and death for those facing an unplanned pregnancy. Join together with other like-minded, life-affirming individuals aiming to make abortion unthinkable and enabling women and men to choose what is best for their families: LIFE!

We are so excited to see you and continue to partner with you on the critical work of saving lives of the innocent. Buy your tickets today at our website [friendsofoptionsrf.com](http://friendsofoptionsrf.com)
